 - Application is declined by **Conformity Officer/Assessor**
 - Recommendation for certification rejection will be made by **Conformity Manager**
 - Rejection decision will be done by **Managing Director**
 - RACS will inform client by an Official rejection statement (Letter of certification Status) by e-mail stating the reason of rejection.

PRODUCT CERTIFICATION SCHEME FOR ELECTRICAL – ENERGY EFFICIENCY STANDARDIZATION AND LABELING

Notes for clients:

- For some scopes where it is required to have a quality system available, clients seeking to be certified for any of their (Products or services or facility/Process) to UAE Schemes and applicable standards through RACS are requested to implement relevant Quality System including documentation in a way to meet all requirements of this standard and all relevant specific standards depending on the nature of service (certified Product& Process).
- In case of a Client newly operating, and seeking to be certified, Client is required to demonstrate more than 3 months compliance against the standard immediately preceding the date of the Pre-Assessment performed by RACS. This will prove the efficacy and sustainability of the implemented system. After which RACS will be contacted to make arrangements for required audits and Certification.
- Client seeking extension or renewal of Certification scope shall as well submit the self- assessment checklist specifying the extension or renewal of the Certification scope.
- Whenever applicable, Additional Certification requirements per Certification schemes: Legal & Quality documents (such as Client Quality Manual) and supportive documents (records and checklists used by applicant), are to be attached to the Self-Assessment Checklist requirements and submitted along with the application as well.

2. Renewal:

Product Certification:

- Validity of certificate is one year,
- COC should be renewed 2 months prior expiry.
