Remarks: This document provides guiding principles for the enforcement of the 2019 version of the UAE.S 5010-1:2019 and UAE.S 5010-5:2019

I. Important Dates

- **01-January-2020**

INCOMING UNITS/MODELS arriving 01-January-2020 shall comply with the requirements set forth in UAE.S 5010-1:2019 and UAE.S 5010-5:2019 as applicable and accompanied by a valid ECAS/EQM Certificate of Conformity indicating compliance to the latest applicable standard.

- **Additional 6-month extension (end of June-2021)**

Manufacturers, suppliers and traders is given an additional 6-months (until the end of June-2021) **to continue selling EXISTING UNITS/MODELS in the UAE** that are compliant to UAE.S 5010-1:2016 and UAE-5:2016 respectively.

II. Conditions

In order to qualify for the 6-months extension, the following shall be completed and complied with the respective manufacturers/suppliers/traders no later than 15-December-2020:

1. Manufacturers/suppliers/traders shall ensure clear differentiation of “EXISTING MODELS” (*compliant to 2016 standard*) from “NEW INCOMING MODELS” (*compliant to 2019 standard*), i.e. a different model number or reference shall be assigned to new/incoming units (compared to the existing models). These differentiation/s shall be indicated in the letter of request mentioned in point 2.
2. Manufacturers/suppliers/traders shall submit an official request to the ministry indicating the following information in detail:
 - a. Official statement requesting extension of the products indicated in the letter;
 - b. Complete accounting of existing units/models in the UAE (please follow table columns below);

Brand Name	Model Number (v2016)	Quantity	Certificate No. (CoC)	Expiry Date	Issuing NB	Equivalent Incoming Model No. (v2019)
